sheffield is a city on the up

Its universities are among the best in the country and more students stay on in Sheffield than in any other city.

Major employers are moving here, creating thousands of quality jobs and providing overwhelming reasons to move here -- or stay to play a part in Sheffield's success story.

Your investment in iquarter is part of the £1 billion being poured into Sheffield from all quarters - public and private investment is turning the city into an economic and cultural gem of England

| ⑤ The Crucible Theatre | ⑩ Hallum University | |

Sheffield now has some of the finest cultural & leisure facilities outside London.

Its theatres, Opera House and concert venues play host to the best music and entertainment, while a taste revolution has exploded onto the restaurant and bar scene.

Quarter
is the leading
development
transforming
Sheffield's
riverside and
creating a
distinctive
new quarter
in the city

A new road network, pedestrian links into the heart of the city and a mainline rail station, with high speed trains to London in just over two hours, plus Manchester and Leeds much less than an hour away.

The public infrastructure of Sheffield is being transformed with the acclaimed Peace Gardens and Heart of the City Project creating world beating communal living
